

Head **Agency**: United States Department of Minerals and Mining (USDMM)
Washington DC (New [FEDERAL] Agency to be Created by MMAC) Until
there is **Congressional Funding** USDMM shall operate in
California and be know as National MMAC. (NMMAC)

[Many More Administrative Controls, MMAC, Bureaucratic Map]

And the **[additional & extra Much More Administrative Control]**, MMAC, budget is millions to billions less than all the other agencies and legal departments, plus MMAC gets a lot more **[interference]** done in a civilized non-political way than most **[FEDERAL]** agencies. **[-Duplicative Federal Funded Regulation][None of which is allowed under and a violation to the Mineral Estate Grant]**
