

NOTICE MINERS OF LOCATEABLE MINERALS

The South Western Oregon Mining Association

PRESENTS

and You Are Invited to Attend upon

A MATTER of great importance concerning your future, rights, and POWER as CLAIM OWNERS and MINERAL ESTATE GRANTEEES.

WITH ALL INTERESTED MINERS in the areas of Josephine County, western Jackson County, southern Douglas County, and anywhere beyond.

MEETING AT POTTSVILLE Aug. 19th and Sept. 2nd at 6:00 PM.

AS TO THE FOUNDING OF A LAWFUL MINING DISTRICT for the Protection and Advocation of Independent Miners, each their rights, and Property under the Mining Law Grant *Acts of Congress*.

“Southern Oregon with Josephine County as the center sits on one of the most mineralized areas in the western United States. Vast reserves exist here not only of noble metals but of strategic minerals and rare earths.”

“If it can’t be grown, it has to be mined”

SWOMA website, miningrights.org

SWOMA meetings at Pottsville, first and third Friday each month.
